

Big-Picture Parenting

The essential elements for raising healthy, uncomplicated children

a workshop with

Dr. Louise Hart

Effective parenting that is good for both you and your child doesn't always come naturally.

Big-Picture Parenting goes far beyond a specific problem focus to the broad, inclusive focus on the keys to growing healthy, happy children.

By attending this workshop you will:

- Discover 5 mistakes parents make trying to communicate love
- Determine the best leadership styles for reducing conflict and increasing cooperation
- Develop skills for self-protection
- Gain insight into how your own upbringing affects your parenting style
- Identify 5 common mistakes parents fall into, and how to avoid them

“As effective as years of therapy.”

—Dr. Pat Palmer, therapist
